Selectmen's Update

Public Comment

Executive Session

To conduct contract negotiations with non-union personnel and to discuss strategy with respect to litigation if an open meeting may have a detrimental effect on the government's litigating position, not returning to open session.

Adjourn

The listing of matters are those reasonably anticipated by the Chair, which may be discussed at the meeting. Not all items may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
