Landscape plans for the home would only be for this summer as the house will be going under renovations after the summer. They have been advised that all construction must come the back of the property.

Chairman Amy Billings said that she would like to have some lawn left out front.

OBA Events & Parking

Christine Todd asked if Sunset Lake Park could be used for parking for the Harbor Festival on June 22nd.

Amy responded that it would only be for this year as the park will be under renovations in 2020. She added that it becomes general parking for Our Market and people going to dinner in Town if not shut down after the festival.

Richie suggested having it only for vendors.

Amy said that most of the vendors want to park along the Harbor where they set up their booth.

Meeting adjourned.
