

FOBCOA

FRIENDS OF OAK BLUFFS COUNCIL ON AGING

The Friends of the Oak Bluffs Council on Aging (FOBCOA) is a non-profit 501c3 organization. Its purpose is to provide funds for the Oak Bluffs Council on Aging for items not provided in its annual budget, through fund raising and charitable contributions. We come together as a community of seniors who are committed to the cause of helping each other age well.

In addition to a variety of in-house programs, the Center provides an active Outreach Program, which is designed to help our seniors remain in their homes as long as possible.

FOBCOA publishes a monthly newsletter to inform our seniors of upcoming events and programs, such as card games, bingo, yoga, and exercise. We provide a twice weekly luncheon for anyone who wants to attend, and also a monthly Men's and Ladies' luncheon. During the summer months we organize trips to Foxwoods Casino, which are enjoyed by all who attend.

Our organization is run with the help of volunteers, so all of our fund raising efforts go directly to supplement programs and activities. With your help we can continue to address the concerns of our seniors in Oak Bluffs. Please send your tax deductible gift to FOBCOA, P.O. Box 1327, Oak Bluffs, MA 02557. Your support will help our Oak Bluffs Senior Center continue to be a vibrant and useful center for all.
