To that end, whenever any Residence Lot is owned of record by more than one person, the several owners of such Residence Lot shall (a) determine and designate which one of such owners shall be authorized and entitled to cast votes, execute instruments and otherwise exercise the right appertaining to such Residence Lot hereunder, and (b) notify the Secretary of the Association of such designation by a notice in writing signed by all of the record owners of such parcel. In providing such facilities and services, the Association may contract with or delegate its duties to any entity organized for such purposes.

D. Insurance

To maintain in full force and effect such insurance as the Board shall deem necessary to protect the Association from loss by reason of fire or other casualty and from liability for personal injury and property damage and to obtain and maintain such fidelity and other bonds as the Board shall deem appropriate to protect to Association.

C. Employment of Agents

To employ a manager and such other employees as are necessary to carry out the responsibilities and duties of the Association.

SECTION 4.06 Rules

A. Rulemaking Power

Subject to the provisions of this Declaration, the Board may from time to time adopt, amend and repeal rules and regulations governing, among other things, use of any Common Areas and Vehicular Access areas under the jurisdiction of the Association. Said rules may restrict and govern the use of the Common Areas and Vehicular Access Areas. Said rules may also include parking restrictions and limitation, limitations upon vehicular travel, restrictions on the types or types of vehicles which may be permitted to enter or use such Vehicular Access and/or Common Areas, and restrictions on the maintenance or landscaping or other improvements on any Residence Lot which may obstruct the vision of motorists or which create a hazard for vehicular or pedestrian traffic. The Rules are available and accessible to Resident Lot owners.

B. New Recordation of Rules

A copy of the rules, as they may from time to time be adopted, amended or repealed, shall be mailed, conveyed electronically, or otherwise delivered to each Residence Lot owner and may, but need not, be recorded or filed. Upon such mailing, other delivery or recordation and filing, said Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration.

SECTION 4.07 Liability of Board Members and Manager

No Member of the Board, the manager, or other employee of the Association shall be personally liable to any Residence Lot owner, or to any other party, for any damage, loss or prejudice suffered or claimed on account of any act or omission of the Association, the Board, the manager or any other representative or employees of the Association or the Approval Committee, provided, however, that such actions were conducted in good faith.

ARTICLE V: FUNDS, DUES, ASSESSMENTS, and FINES.

SECTION 5.01 Operating Fund

The Board shall establish an operating fund for the Association into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration, the Articles and the By-Laws.

SECTION 5.02 Operation and Maintenance Assessments

A. Regular Dues

At least thirty (30) days prior to the commencement of each fiscal year, the Board shall prepare and adopt a budget for the Association reflecting the estimate of the expenses to be incurred and designated reserves by the Association during such fiscal year in performing its functions under this Declaration, the Articles and the By-Laws. The estimate of expenses and designated reserves so determined shall be divided by the total number of Residence Lots and the resulting amount shall be assessed as of the first day of such fiscal year to the owners of each Residence Lot.

B. Special Assessments

If, at any time during any fiscal year, the regular assessment proves inadequate for any reason, the Board may levy a special assessment as of such date as it may determine in the amount of such actual or estimated inadequacy, which amount shall be assessed to the owners of all Residence Lots.

C. Payment of Dues and Assessments

Dues and Assessments shall be due and payable within thirty (30) days after the Board notifies property owners, unless otherwise specified by the Board.

D. Obligation of Owners

All owners of Residence Lots shall be liable for all dues and assessments levied upon them pursuant to this Declaration, the Articles and By-Laws.

SECTION 5.03 Reimbursement Assessment

The Board shall levy a reimbursement assessment against any owner of a Residence Lot, as a result of that owner's failure to comply with the provisions of the Articles, the By-Laws, the Rules, pursuant to Section 4.06B, or the Approval Committee Rules, where monies are expended by the Association to cure the non-compliance. Such assessment by the Directors in addition to the amount so expended, may include reasonable attorney's fees, and shall be due and payable to the Association when levied. The Board has the authority and responsibility to collect the reimbursement assessment.

SECTION 5.04 Enforcement, Dues, and Assessments

Assessments levied hereunder together with interest thereon and all reasonable costs of collection thereof, including reasonable attorney's fees and court costs, shall be a charge on the Residence Lot and shall constitute a continuing lien upon said property against which such assessment is made, and shall also be the personal obligation of the owner or owners from the time the payment thereof became due.

Any assessment or dues not paid within thirty (30) days after the due date shall bear a fine as the Directors may decide, for that current fiscal year, and additional 10% interest on the unpaid balance, compounded annually.

The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. The Association may enforce each such lien by selling any Residence Lot subject thereto, and to satisfy the same, in the manner provided by law for the foreclosure of mortgages containing a power of sale, provided that notice of the commencement of such proceedings is duly filed for recording in the Dukes County Registry of Deeds within two years of the date on which payment becomes due. Enforcement efforts may continue until the outstanding assessment has been paid in full.

Sale or transfer of any Residence Lot shall not affect the assessment lien, except as required by law. No sale or transfer shall relieve such Residence Lots or Owners thereof from liability for any assessments thereafter becoming due or from the lien thereof.

Section 5.05 – Fines

If an owner fails to comply with the provisions of the Articles in the Declaration, in addition to a reimbursement assessment under section 5.03, the Directors may impose a fine in accordance with rules adopted pursuant to section 4.06. Such fine shall be the personal obligation of the owner or owners of the Residence Lot at the time the fine was imposed and shall constitute a continuing lien upon such property subject to enforcement in accordance with section 5.04
