Oak Bluffs, MA 02557

Dear Chief Rose,

The Oak Bluffs Planning Board (OBPB) is preparing to receive the decision of its referral to the Martha's Vineyard Commission of the Martha's Vineyard Community Services campus application.

In advance of municipal public hearings, the OBPB formally requests certification of Village Road as to its compliance of **527 CMR 1.00: MASSACHUSETTS COMPREHENSIVE FIRE SAFETY CODE, Chapter 18 Fire Department Access and Water Supply requirements.**

All current road deficiencies should be clearly documented with a stated position of acceptance for certification. Please outline all resources, town and otherwise, needed to accomplish such a certification effort. It is the OBPB's expectation that you will document expected costs so this information can be presented to the applicant in advance of any public hearings.

Sincerely,

Ewell Hopkins, Chairperson
Oak Bluffs Planning Board
