Dear Sheriff Ogden,

As a part of the Oak Bluffs Planning Board's upcoming Site Plan Review of Martha's Vineyard Community Services campus application, we request the following 911 call data:

- Summary data of number and type of calls to all locations serviced by Village Road in Oak Bluffs. This would include the Ice Rink, YMCA, MV Community Services, Island Elderly Housing (Woodside Village) and surrounding Martha's Vineyard Land Bank property.
- Any other data your department collects which would highlight issues of public safety impacted by frequency of use of Village Road.

The OBPB appreciates your assistance in its effort to ensure the public safety of the residents and visitors of Oak Bluffs.

Sincerely,

Ewell Hopkins, Chairperson
Oak Bluffs Planning Board
