Dear Mr. Bushey,

On June 5, 2018, you made a presentation regarding a conceptual plan to expand the early childhood development program at Martha's Vineyard Community Services to William White and Thomas Zinno, constituting a quorum of the Oak Bluffs Board of Health.

The Oak Bluffs Board of Health supports the concept for the expansion of the early childhood development program as you presented it to the Board. Per your conceptual plan, the new facility will be separate from the renovated offices and will utilize a nitrogen reducing on-site sewage treatment and disposal system.

Regards,

William White, Chairman

Thomas Zinno, Member
