

A National Historic Landmark

January 9, 2020

To Oak Bluffs Planning Board:

We are writing on behalf of the Friends and Neighbors of Sunset Lake (FANS) as they seek approval of their plans to restore and improve Sunset Lake and the adjacent park area.

The Martha's Vineyard Camp Meeting Association wholeheartedly supports the request and efforts of the Friends and Neighbors of Sunset Lake. We are a direct neighbor of the park and appreciate the significance of this undertaking.

This location is an important resource to the Town of Oak Bluffs, its residents, and the Lake area's environs; and the project will provide both ecological benefits and improved park amenities.

We are enthusiastic supporters of FANS and their goals, and urge you to approve the project this evening.

Sincerely,

Jamieson Schiff
