To: Oak Bluffs Planning Board <planningboard@oakbluffsma.gov>

To whom it may concern,

I am a student at the West Tisbury School and I play on MV United 2008, 2009 girls team. We have played on turf when we travel off island, IT HURTS!

I do not want a plastic field at the high school, we don't want you to spend all of your money on green plastic when you could be spending it on more important things. For example, you could jazz it up a little inside the school, change those gray pavement floors into something beautiful so that I can be proud of the floors.

I do not want my knees to burn from playing on plastic turf. Would you?

Sincerely,

Grazina Biskis
