To Whom It May Concern:

I am writing this letter of support of Ben deForest and the Red Cat Kitchen. Ben has been a friend of mine for three decades and is a born and raised part of the Vineyard community. He is hard working, a family man, and a damn good chef. The Red Cat has become an integral part of the Oak Bluffs experience- and, for many, a part of the Island experience- for all those who visit and call Oak Bluffs home. I stand by the vision of this project and its continued standing in Oak Bluffs. The Red Cat has undeniable long term benefits for our community and I encourage you to support its rebuilding.

Sincerely,

James Belushi
