Hi Ben,

Let me know what you think... if you need anything else, just let me know my friend 😊

To Whom it May Concern

Words alone can not express the fond memories and special family moments I have endured over the last 7 years at the Red Cat Kitchen. As a child I spent many summers on Martha Vineyard, and those years were some of my fondest memories. Whether it

was the filming of Jaws, or seeing my sister susan start her career on circuit ave, Martha's Vineyard has always had special place in my heart.

Now that I have a family, I have had the pleasure to vacation on Marthas Vineyard and share many special fond memories with my family. One of our fondest memories and special places to go every year, is the Red Cat Kitchen. Our first time in the Redcat was about 6 years ago, and I was with my family as well as my parents. The food, the atmosphere and the service was absolutely exceptional, and when we heard my sisters music playing in the background, my father was absolutely beside himself with joy. From that that day on, The Red Cat has been our favorite place to spend time together as a family, and has been a true family treasure that we look forward to going to every year. The Red Cat Kitchen is not only a restaurant, but feels like part of our family, and we hope to continue these fond memories for many years to come.....

Thank you for the memories
