November 18, 2020

Dear Members of the Oak Bluffs Streetscape Committee:

The members of The Friends Of Oak Bluffs voted unanimously to notify you of our objection to the possible plan to decrease the green space along the edge of the harbor. As our primary concern is the beautification of Oak Bluffs we see no logic in decreasing this park area to accommodate a bike path the would end at Our Market.

Cordially,

A handwritten signature in blue ink that reads "Duncan Ross". The signature is written in a cursive, flowing style.

Duncan Ross
