Thank you Chief Shilling, and I appreciate the feedback.

Alex, could you please post this correspondence to the DRI website for the MVRHS Athletic Field project.

Thank you both.

Christian,

I have reviewed the plans and details for the Athletic Field renovations at MVRHS. Upon completion of this review, this project does not trigger any Massachusetts Comprehensive Fire Safety Code compliance issues. Further, I do not find any increased fire safety or life safety issues with the proposed construction of this new facility.

Respectfully,
