Dear OB Planning Board:

Please accept this letter as a statement of 100% support for the Aidylberg III Island Elderly Housing Project.

I have been a resident at IEH for four years and am the president of the Woodside Community Association. I am a proud Islander, registered voter & have been a taxpayer for many years.

Living at an IEH campus has afforded me a variety of new friendships and opportunities to learn and grow. Since I have many relatives on Martha's Vineyard, I am glad to be close by. Unfortunately due to Covid I have not been able to connect very often.

I am happy to say that my fellow residents & I are content with our secure IEH housing and are thriving independently, even in the face of COVID. The assistance & services provided by the IEH staff have been very supportive. I am truly grateful and feel welcomed and safe.

I support the Aidylberg 3 Project because I know there are many more deserving seniors like me who need safe, secure and permanent housing.

Thank you in advance for your support of this worthy project.

Sincerely,

Josephine Tucker
