Subject: Tabernacle addition

Dear Mr. Ewell Hopkins,

Regarding the proposed addition to the back of the Tabernacle, we (who together own a cottage in the Campground) strongly object to this addition.

We strongly feel that this new building is fiscally, environmentally, and historically irresponsible. We are deeply concerned with the preservation of the Campground.

We are happy to provide use of the Tabernacle stage for town events, such as high school graduation and concerts. But it should not be the responsibility of Campground leaseholders to provide public restrooms for the town. Limited use of porta-potties has been sufficient for all events and we see no need for permanent restrooms.

Thank you for your consideration.
